

Kaleidoscope Intention Form- **Due Feb. 7th!

Students may take part in up to 2 entries in the performance categories. E.g.- be part of a praise team and play a solo instrument piece. It is important to fill this out carefully to help plan the performance times and keep track of students' participation. Performances should be about 5 minutes maximum. All performances that will require music must either hand in lyrics or a CD containing background music. Students that will sing with CD accompaniment should have a musical background only. Questions?? Mrs. Powers- spowers@calvinschool.org, or Mrs. Moes [-wmoes@calvinschool.org](mailto:wmoes@calvinschool.org). Thank you!
